

# Happy Holidays!

Dearest friends,

The holidays are an opportunity to remember our good fortune and celebrate the many joys we have experienced over the past year.

On behalf of over 2,500 Enactus student, academic and business leaders across Canada, we thank you for your support in 2013. Together, we created jobs for 675 people, empowered over 56,500 individuals and generated over \$6.5 million in economic activity.

During this season, remember our commitment to enable progress. Look to 2014 with hope and optimism, and pledge to join us in creating a better, more sustainable world.

Warmest wishes,

Enactus Canada
